

Agricultural Employer Survey 2023-2024

This survey will help the Texas Workforce Commission and the U.S. Department of Labor better understand conditions of employment in your industry.

Category: Cotton Gin

Category description:

Tends variety of machines, such as dryers, cleaners, gin stands, and linters, that dry, clean, and separate cotton lint from seed and waste material. May be identified with machines tended or with work performed, such as linting, cleaning, drying, and ginning.

Seasonal/Temporary Worker Wages

NOTE: In the wage chart below, please list the number of **SEASONAL/TEMPORARY** U.S. workers (including legal permanent residents) and their wages. Please do not include supervisors or foreign workers in the H-2A program. We are only asking for information on laborers who have worked on a **temporary or seasonal** basis within the past 12 months. Do not include day-laborers.

- If you have no **seasonal or temporary** workers, skip to question #18.
- **When reporting rate of pay and number of workers, DO NOT USE RANGES. Use precise numbers.**

# seasonal/temp. workers	Rate of Pay	Unit (per hour, etc.)	Bonuses (if any)
5 (example)	\$8 (example)	per hour (example)	\$500 per year (example)

Employment Practices
